

## **ACTIVITIES FOR RECREATION PURPOSES**

As defined in ANR-101, “recreation purpose” means any activity engaged in for enjoyment, relaxation or leisure, but not taking part in —

- (a) A sporting activity that forms part of an organised group activity or organised competition, race or tournament;
- (b) A recreational activity provided in the course of carrying on a business; or
- (c) A flying display.

Note: the definition for recreation has been clarified to exclude drone races.

Some examples of activities that are considered as “recreation purpose” include:

- (a) An individual flying a UA for fun.
- (b) An individual flying a UA for aerial photography for personal collection.
