Unmanned Aircraft (UA) Registration Label Purchase Form

INSTRUCTIONS & NOTES

1. **Identification Documents:** Please produce the original and photocopy of your photo identification.
 - a. Singaporeans and PRs: NRIC, SAF 11B or Passport (for Singaporeans only)
 - b. Non-Singaporeans / Non-PRs: FIN or Passport
2. **Eligibility to Purchase:**
 - a. You are only allowed to purchase the registration label if you are 16 years old and above.
 - b. Singaporeans and PRs are entitled to purchase a maximum of 5 registration labels; all others are entitled to purchase only 1 registration label.

If you wish to purchase more registration labels than the allotted amount, you may submit your request at <http://go.gov.sg/ua-reg-label-limit>. These requests will be considered on a case-by-case basis.

3. **Registration Fee:** This fee collected from the purchase of the registration label is non-refundable.
4. **Registration Process:** After purchasing the registration label, follow the instructions within the packaging to complete the registration online. For more information on the registration process, please visit www.caas.gov.sg/UAreistration.
5. **It is an offence:**
 - a. To operate an unmanned aircraft with a total weight above 250 grams in Singapore that is not registered with CAAS.
 - b. To permit an individual to operate an unmanned aircraft with a total weight of above 250 grams in Singapore that is not registered with CAAS.
6. **Consent to the collection, use or disclosure of personal data:** CAAS may share personal identifiable data that you have provided in this application with other Government agencies, so as to serve you in a most efficient and effective way. CAAS will not share your personal identifiable data with other entities, except where such entities have been authorised to carry out specific Government services or in accordance with legislation under the purview of CAAS to enable CAAS to perform CAAS functions or duties or to comply with any order of court or in compliance with any written law, or for the purposes of taking any action against any user for breach of the conditions of use of CAAS's services.

Data provided by CAAS to SingPost may be used for verification and record of your personal particulars, including comparing information from other sources such as over-the-counter registration database, the online registration portal and CAAS database of permit holders, and using the information to communicate with you.
