

## **NOTICE OF AMENDMENT**

### **Revision of fees for Permit to Fly**

Please be informed that the Air Navigation (91 – General Operating Rules) (Amendment No. 2) Regulations 2022 has been issued to revise the fees for a permit to fly (PTF), prescribed in the Second Schedule of the Air Navigation (91 – General Operating Rules) Regulations 2018 (ANR-91), and will come into effect on 31 December 2022.

When an application for a permit to fly is made on or after 31 December 2022, only an application fee of \$2,540 will need to be paid. This revised fee structure simplifies the existing 2-fee structure for a permit to fly, i.e. a fee for the application and another fee for the grant of permit. For avoidance of doubt, the existing fees remain payable for an application made before 31 December 2022.

The Air Navigation (91 – General Operating Rules) (Amendment No. 2) Regulations 2022 can be found [here](#).
