

NOTICE OF AMENDMENT

Revision of Manual of Aerodrome Standards (MOAS)

Please be informed that the Manual of Aerodrome Standards has been amended to introduce new provisions, including some related to:-

- Development and modification of airside infrastructure;
- Appointment of Safety Manager and Airside Operations Manager;
- Timeline for notification of reportable occurrences;
- Investigation of aerodrome incidents; and
- Removal of disabled aircraft.

The MOAS version 2.0 comes into effect on 15 January 2016.

The MOAS version 2.0 can be downloaded at our CAAS website at <http://www.caas.gov.sg>
