

## **NOTICE OF AMENDMENT**

### **Repeal of Singapore Air Safety Publication Part (SASP) 5 and amendments to SASP 1, 2, 7 and 9**

Please be informed that the Flight Engineer Licence (FEL) and Flight Navigator Licence (FNL) provisions have been removed from the Air Navigation Order with effect from 15 July 2019. The Singapore Air Safety Publication Part 5 (SASP 5) – Licensing of Flight Engineers has been repealed and the following SASPs have been consequentially amended to remove requirements relating to FEL or FNL.

- SASP 1 – Licensing of student pilots and private pilots
- SASP 2 – Licensing of professional pilots
- SASP 7 – Authorised Flight Examiners
- SASP 9 – Medical requirements for the grant or renewal of flight crew licences and air traffic controller licence

The repeal of the SASP 5 and amendments to the abovementioned SASPs come into effect on 26 July 2019.

The amended SASPs can be downloaded at our [CAAS website](#).
