

NOTICE OF AMENDMENT

Amendments to Singapore Airworthiness Requirements (SAR) Part 66 and Part 147

Please be informed that the Singapore Airworthiness Requirements (SAR) Part 66 and Part 147 have been amended.

Amendment 4 to Issue 2 of SAR-66 includes:

- changes to the basic knowledge requirements and examination format, effective 1 July 2013;
- enhancement to the level of Human Factors training for Category A technicians, effective 1 July 2013;
- extension of privileges for Category B2 aircraft maintenance engineers (AME), to include certification of electrical and avionics tasks in powerplant and mechanical systems (currently granted under a “limited” Category B1 licence), provided the AME has completed the necessary training; and
- removal of the pre-requisite for an applicant to first complete the relevant SAR-147 approved basic training course before sitting for a basic knowledge examination.

Amendment 3 to Issue 1 of SAR-147 includes, in Section 2 of SAR-147, aircraft type/task training for new ATA 100 chapters.

These amendments come into effect on 8 March 2013.

The SAR-66 and SAR-147 can be downloaded from the CAAS website at <http://www.caas.gov.sg>.
