Opening Remarks by Mr Philip Goh, CEO of APSAC

Panel Session

Understanding and Unlocking the Value of SAF for Asia Pacific

This panel brings together investors, lenders, technology experts, and project developers to examine the economic value proposition of SAF in Asia-Pacific, alongside the practical conditions required to unlock that value. Panelists will explore how SAF can generate economic opportunities across the region and how policy signals shape how value is captured, whether projects succeed or stall, and how Asia Pacific governments can position SAF as an engine of growth rather than a compliance cost.

Speakers:

Mr Frederick Teo, Chief Executive Officer, GenZero

Ms Jeong Yoon Mee, Managing Director, Head of Sustainability Office, Global Wholesale Banking, OCBC

Mr Dannis Poon, Executive Vice President Operations, EcoCeres

Mr Julien Manhes, Head of Sustainability and Carbon Dioxide Removal, Airbus

Moderator:

Ms Tan Seow Hui, Chief Executive Officer, Singapore Sustainable Aviation Fuel Company

Panel Session

Lessons from SAF Policy Development in Asia Pacific

This panel brings together Asia Pacific policy makers, fuel producers, and airlines to examine how SAF policies are being shaped in different national contexts, and the trade-offs governments face in balancing ambition, competitiveness, and growth. Panelists will reflect on policy design choices, lessons learned from early implementation, and how Asia Pacific can scale SAF beyond initial blending targets in a way that is realistic and pragmatic.

Speakers:

Mr Sarun Benjanirat, Deputy Director General, Civil Aviation Authority of Thailand

Mr Daniel Ng, Chief Sustainability Officer, Civil Aviation Authority of Singapore

Ms Virpi Amoedo, Vice President Sustainability and Public Affairs, Neste

Ms Marie Owen Thomsen, Chief Economist and SVP Sustainability, International Air Transport Association

Moderator:

Mr Anshari Rahman, Director of Policy and Analytics, GenZero
