SINGAPORE AVIATION SAFETY SEMINAR SASS 2018

Stepping Up Safety: Enabling Growth,
Embracing New Technologies

WHAT IS SASS?

The Singapore Aviation Safety Seminar (SASS), jointly organized by Flight Safety Foundation and the Singapore Aviation Academy (SAA), a training arm of Civil Aviation Authority of Singapore (CAAS), is an annual safety seminar designed to provide a platform for aviation professionals to share the latest safety challenges, issues, developments and initiatives to raise the safety standards in the Asia Pacific region.

The theme for SASS 2018 is “Stepping Up Safety: Enabling Growth, Embracing New Technologies”. Growth in air traffic volume and adoption of new technologies have increased the complexity in managing safety. In the pursuit to continuously improve safety, aviation stakeholders should work collectively to understand the factors impacting safety. The seminar focuses on topics relating to latest technologies impacting flight operations, maintenance and engineering; safety threats and enhancement; and change management.

NEW AT SASS 2018!

There will be three workshops available during SASS 2018. Registration to the full-seminar or one-day registration grants access to the workshops. Seats are limited. Register early to avoid disappointment.

WHO SHOULD ATTEND?

SASS is beneficial to professionals involved in flight operations and safety functions in airlines, civil aviation administrations, MROs, air navigation and flight data monitoring service providers and airports.

WHY YOU SHOULD ATTEND

- Network with your regional and international aviation safety peers and exchange solutions to shared or common challenges.
- Learn about the current trends in the aviation industry from panel discussions, presentations and interactive workshops
- Interact with vendors and suppliers to discover innovative products and services beneficial to your business.

PROGRAM SCHEDULE

The SASS program will be designed to provide participants with the very latest information on organizational and flight operations safety. The preliminary program schedule is outlined below. For the updated information, visit flightsafety.org.

Monday, March 26, 2018

Day One

1245	Registration, Lunch with Exhibitors
1400	Opening Ceremony
1500	Keynote Address Safety Brief by Mr Arun Mishra, Regional Director, ICAO Asia-Pacific
1520	Panel Discussion — Safety Performance; What Can We Do?
1815	Dinner hosted by CAAS

Tuesday, March 27, 2018

Day Two

0800	Registration, Breakfast with Exhibitors	Registration, Breakfast with Exhibitors
0900	New Generation Cockpit Avionics	Workshop 1: Engineering Workshop
1100	Risk Management — LOC-I	
1200	Lunch with Exhibitors

Category	Early Registration (by December 21, 2017)	Regular Registration (after December 21, 2017)
FSF Member Full Conference	\$245	\$345
Non-member Full Conference	\$345	\$445
FSF Member One Day Registration	\$170	\$170
Non-member One Day Registration	\$220	\$220
Government Rate	\$215	\$215

Past participants include representatives from:

Aegean Airlines • Aerobytes • Aerohandlers
AHK Air Hong Kong Ltd. • Air Astana • Air Hong Kong • Air India • Air Macau • AirAsia • Airbus • Airbus Helicopters
Asia Jet Partners Limited • Aviation Investigation Bureau of KSA • Bassaka Air • Boeing • CAE • China Airlines
Civil Aviation Authority of New Zealand • Civil Aviation Authority of Singapore • Eagle Services Asia • EVA Airways
Evergreen Aviation Technologies Corp. • Far Eastern Air Transport Group • U.S. Federal Aviation Administration
Federation of Air New Zealand Pilots • Flight Data Services • GE Aviation • Hong Kong Airlines
Hong Kong Civil Aviation Department • Inflight Warning Systems • Jet Aviation • Jet Aviation Business Jets
Jetstar • Malaysia Airlines • Orient Thai Airlines • Panasonic Avionics Services Singapore Pte Ltd.
Philippine Airlines • PT Aering • Qantas Airways • SilkAir • Singapore Airlines • ST Aerospace
Stratasys Singapore Pte Ltd. • TAP Air Portugal • Temasek Polytechnic • Tigerair • TransAsia Airways
U.K. Department of Civil Aviation • VISTARA (TATA SIA Airlines Ltd.)

HEAR FROM PAST PARTICIPANTS

“As a state coordinator of Bangladesh to establish SSP, (attending SASS) helps me to clear my understanding of safety issues, specially the regulatory requirements and implementation of FDM for operators.”

— *Prasanta Kumar Chakraborty,*
Bangladesh CAA

“It was a pleasure to be back at this event and identify its development. Being an attendee since the first edition I truly believe that the SASS is becoming a prominent seminar not only for the APAC region but also significant worldwide.”

— *Duarte Leitao, TAP Portugal*
