CAAS Circular 2021/60

17 September 2021

UPDATE ON BORDER MEASURES FOR TRAVELLERS WITH TRAVEL HISTORY TO INDONESIA

We refer to CAAS Circular 2021/42 dated 10 July 2021.

2 The Multi-Ministry Taskforce has been closely monitoring the global COVID-19 situation and will be adjusting border measures for travellers with travel history to Indonesia. Please refer to the Ministry of Health's press release in **Annex A**.

3 Currently, all travellers entering or transiting through Singapore with recent travel history to Indonesia within the last 21 days¹ prior to departure for Singapore are not allowed to transit or transfer through Singapore.

4 With effect from **22 September 2021, 2359 hours (Singapore time)**, all travellers with travel history to Indonesia within the last 21 days¹ prior to departure for Singapore will be allowed to transit or transfer through Singapore, if they are travelling with an airline whose transfer route has been approved. They will be subject to Category IV border measures.

5 Existing Not-To-Land (NTL) policies and procedures will apply for passengers who are denied entry into Singapore if they do not meet Singapore's prevailing entry requirements or who are not allowed to transfer/transit through Singapore.

6 Information on the additional requirement for all inbound and transit and transfer passengers will be updated in the IATA Timatic service.

7 This Circular will, with effect from **22 September 2021, 2359 hours**, supersede CAAS Circular 2021/42, dated 10 July 2021, *Update on Border Measures for Travellers with Travel History to Indonesia*.

Margaret Tan
Director (Airport Operations Regulation & Aviation Security)
Civil Aviation Authority of Singapore

[no signature required]

¹ To illustrate, if the scheduled day of departure of the flight is D (e.g. 30 September 2021), the last 21 consecutive days refer to D-21 to D (i.e. 9 to 30 September 2021).
