

## **CAAS Circular 2021/68**

8 November 2021

### **CESSATION OF COVID-19 TEMPERATURE SCREENING FOR OUTBOUND TRAVELLERS**

As Singapore transitions towards COVID-19 resilience, MOH has removed the requirement for temperature screening for COVID-19 for inbound travellers arriving at Changi and Seletar Airports from 2359hrs on 26 September 2021.

2 Accordingly, temperature screening for COVID-19 will also be stood down for outbound travellers departing from Changi and Seletar Airports, with effect from 0900hrs on 1 December 2021.
