CESSATION NOTICE FOR TERMINAL 4 REGIONAL SCREENING CENTRE & ART TESTING FACILITY AT TERMINAL 3

All airport workers currently on the Airport Workers Rostered Routine Testing (RRT) regime would switch to Fast and Easy Testing (FET) using the Employer-Supervised Self-Swab (ESSS) modality by 12 November 2021. Accordingly, the current testing facilities at T4 Carpark 4B and T3 Carpark 3B Basement 3 will cease operations on **Friday 12 November 2021**. The last day of operations for both facilities is **Thursday 11 November 2021**.

2 We seek the assistance of the aviation community to remind all airport workers of the cessation date of the testing facilities at Changi Airport.
