

CAAS Circular 2021/11

COVID-19 VACCINATION EXERCISE – COLLECTION OF NOMINAL ROLLS FOR THE AVIATION SECTOR

Workers in the aviation sector have been given priority for COVID-19 vaccination given their higher risk of exposure to imported cases of COVID-19.

2 CAAS is collecting nominal rolls to monitor the vaccination status of aviation workers. This will go towards ensuring the smooth roll out of the COVID-19 vaccination programme, to support air travel recovery and manage the risk of COVID-19 infection among airport workers. This nominal roll should comprise all CAT A and CAT B workforce, irrespective of their interest to be vaccinated.

3 We need all industry partners to submit their company's nominal roll by **3 February 2021**. The template for the nominal roll submission can be found in this link <https://go.gov.sg/vaxopsnrtemplate>. Companies are to submit their returns to: <https://go.gov.sg/vaxopsnr>. As the information in some fields may change after the initial submission (e.g. date of second dose, indication of interest to be vaccinated), we need these changes to the nominal rolls to be submitted to CAAS every Wednesday of the week.
