

Date: 1 July 2020

DIRECTIVE NO. 8 OF 2020 (MEASURES FOR COVID-19)

Pursuant to section 4H(1)(a) of the Air Navigation Act, the Chief Executive of the Civil Aviation Authority of Singapore (also known by the designation “Director-General of Civil Aviation”), under power delegated to him by the Authority, considers it necessary to issue the Directive attached at the **Annex** in the interests of protecting public health in response to the escalating global COVID-19 situation.

2 The aviation safety instrument holders to whom this Directive applies are to ensure full compliance with the Directive.

3 Directive No. 4/2020 issued on 9 April 2020 is superseded by this Directive No. 8/2020, which takes effect on 1 July 2020.

**AIR NAVIGATION ACT
(CHAPTER 6, Section 4H(1)(a))**

DIRECTIVE NO. 8/2020 (MEASURES FOR COVID-19)

Pursuant to section 4H(1)(a) of the Air Navigation Act, the Chief Executive of the Civil Aviation Authority of Singapore (also known by the designation “Director-General of Civil Aviation”), under power delegated to him by the Authority, hereby issues this Directive No. 8/2020.

Part 1

Citation and Commencement

1. This Directive may be cited as Directive No. 8/2020 (hereinafter referred to as “this Directive”).
2. The measures stated in this Directive shall take effect from 1559hrs GMT on 2 July 2020.

Part 2

Measures

3. This Directive applies to the following aviation safety instrument holders:
 - (a) a holder of an air operator certificate granted under Regulation 6 of the Air Navigation (119 – Air Operator Certification) Regulations 2018;
 - (b) a holder of an operations permit issued under paragraph 87A of the Air Navigation Order.
4. In the interest of protecting public health, an aviation safety instrument holder mentioned in paragraph 3 must make the following in-flight announcement for all its flights to Singapore before landing:

“To minimise the spread of COVID-19, Singapore has implemented precautionary measures for all passengers. Please refer to the notices at the airport. If you are unwell, please identify yourself to the crew and ground staff upon arrival.”

All passengers entering Singapore, including Singapore Citizens, must complete the electronic Singapore Arrival Card with Health Declaration before proceeding to the arrival immigration. Please refer to the in-flight brochures, or approach the ground staff for more information.”

Part 3

Compliance

5. Every aviation safety instrument holder to which this Directive applies is required by section 4H(1) of the Air Navigation Act to comply with this Directive.
6. Every aviation safety instrument holder may be required to demonstrate that it has taken the measures set out in paragraph 4.
7. The Director-General of Civil Aviation considers that, due to the need for swift measures to prevent the spread of the 2019 Novel Coronavirus, it is not practicable to give a notice under section 4H(5) of the Air Navigation Act.
8. The Directive No. 4/2020 issued on 8 April 2020 is hereby revoked.

Issued on 1 July 2020.

KEVIN SHUM JIN-CHYI
Director-General of Civil Aviation
Civil Aviation Authority of Singapore
