

ANNEX A: List of additional support measures for the aviation sector

For Companies

- Funding to support the development, adoption and deployment of innovative technologies and measures against COVID-19
- 100% rebate off fees payable by Singapore-based carriers between 1 April 2020 and 31 March 2021 for their Certificates of Airworthiness, as well as for providing scheduled air services
- 50% rebate off license fees payable for ground handling and catering services at Changi Airport and Seletar Airport from 1 April 2020 to 31 March 2021
- Enhanced funding support of up to 90% under the Aviation Development Fund over the next 15 months (i.e. till March 2022) for productivity-related projects

For Workers

- 100% rebate for licence and medical evaluation fees payable by pilots, air traffic controllers and aircraft maintenance engineers between 1 April 2020 and 31 March 2021
- Funding support for under-employed aviation workers to move to other jobs
- Funding support to Singapore-based airlines to re-train their pilots and keep their skills current
