

Diploma in Civil Aviation Management

This diploma combines strategic aviation regulatory elements with operational considerations to address common concerns in air transport through the sharing of international best practices and Singapore experience.

HOW YOU WILL BENEFIT:

The programme is designed to equip aviation professionals with an in-depth understanding of how the various components of the civil aviation industry function and integrate.

WHAT YOU WILL LEARN:

Upon completion of this diploma, you will be able to:

- Identify the key considerations in policies making for the various civil aviation components
- Plan and execute the key deliverables to meet your national and organisation's needs
- Design policies to manage the industry's challenges
- Examine the key concerns and emerging trends in civil aviation development

PROGRAMME STRUCTURE

This programme comprises both compulsory and elective courses. To complete the programme, you should complete at least 1 compulsory course from the core programme, and 1 aviation management course as an elective. You may select any core or elective courses based on your job function or areas of interest. You have the flexibility to attend each chosen course based on your preferred sequence/schedule.

- International aviation industry experts

CERTIFICATION

A Professional Diploma in Civil Aviation Management will be awarded to those who have successfully completed the compulsory course and chosen electives, as well as passed all examinations for the elective courses within the candidature period. Diploma holders may append the abbreviated form of the qualification "Dip. Civil Aviation Mgt." after their name.

CANDIDATURE PERIOD

The programme is to be completed within 3 years, starting from the date of the first course. The total duration of compulsory and elective course must add up to a **minimum** of 30 days (6 weeks).

FEE, DATES, LANGUAGE & MODE OF DELIVERY

Please refer to the SAA programme calendar at <https://go.gov.sg/saa-prog-calender> for the fees, mode of delivery and course dates.

Course details and updates can be found under 'Apply for Programmes' at <https://caas.gov.sg/saa>

All courses are conducted in English.

FREQUENTLY ASKED QUESTIONS

Q: I have completed some of the courses offered under this programme. Can I count them towards the diploma? For courses that I have attended that are beyond the candidature period, can I appeal for them to count towards the diploma?

A: You can count eligible courses taken within a 3-year period for the diploma. Courses taken outside the candidature period will be reviewed on a case-by-case basis.

Q: I had attended an on-site SAA course that was similar. Can these courses count towards the diplomas?

A: Courses offered outside of Singapore by SAA with similar course content as those offered in SAA's Singapore campus may be counted towards the diploma. To enquire if your on-site training qualifies for the diploma, please write to saa@caas.gov.sg.

Q: Some of these courses are offered as compulsory/electives under the diploma in Civil Aviation Management and Aviation Safety Management. Can the same course qualify for both diplomas?

A: Yes, a course offered as a compulsory or elective module under the respective programme can count towards both diplomas.
