

Singapore – ICAO Programme for Young Aviation Professionals 2022/2023

To mark the 60th Anniversary of the Singapore Aviation Academy (SAA) and Singapore’s 15th year as an ICAO Council Member in 2018, Singapore and ICAO jointly launched a Singapore – ICAO Programme for Young Aviation Professionals (PYAP). The 5-year programme provides 600 Fellowships and 40 Scholarships to government officials (aged 35 and below) from eligible developing ICAO Member States to attend specialised training programmes conducted by SAA. This programme is sponsored by the Singapore Government and administered by the ICAO Technical Cooperation Bureau (TCB). We welcome applications from government officials (aged 35 and below) from eligible developing ICAO Member States.

The list of courses can be found below. More details of each course can be found at <https://www.caas.gov.sg/who-we-are/events>. Please note that course dates and details are subject to change. For the latest Fellowship details, please refer to <https://www.caas.gov.sg/saa/fellowships>.

* Participants are required to fulfil the COVID-19 vaccination and entry criteria into Singapore. Click [here](#) to view details on ICA's website

Terms of Award

The Government of Singapore will cover the training fees for participants accepted to the courses (both virtual and in-person courses).

The following will also be provided for in-person courses:

- Hotel accommodation for the training duration, i.e. one day before course commencement and one day after the course
- Daily allowance of Sixty Singapore Dollars per training day

Application Procedures

Governments should nominate no more than two candidates for each course and indicate which candidate should take priority if more than one is nominated. Nomination Forms, signed and endorsed by the Director-General of Civil Aviation or equivalent, must be completed and submitted as part of the online application by the application deadline. A copy of the nomination form can be found [here](#).
