Terms of Award

The Government of Singapore will cover the training fees for participants accepted to the courses (both virtual and in-person courses).

The following will also be provided for in-person courses:

- Hotel accommodation for the training duration, i.e. one day before course commencement and one day after the course
- Daily allowance of Sixty Singapore Dollars per training day for the training duration, i.e. from the start of the course up to the last day of the course

Application Procedures

Governments should nominate not more than one candidate for each course. Online fellowship application should be done via the application links for the respective courses found in the table above. Nomination Forms, signed and endorsed by the Director-General of Civil Aviation or equivalent, must be completed and submitted as part of the online application by the application deadline. A copy of the nomination form can be found [here](#).

For enquiries, please submit via this [link](#).
