## ADMISSION REQUIREMENTS

- You must have earned a baccalaureate degree from an accredited degree-granting institution with a cumulative grade point average (CGPA) of 2.5 or higher on a 4.0 scale. If you already possess a master's degree or have completed graduate coursework from an accredited degree-granting institution, you must also have a 3.0 CGPA or higher at the graduate level.
- You must submit official transcripts from all accredited institutions showing degree completion or courses attempted. Official or unofficial transcripts may be required to verify prerequisite knowledge.
- Prerequisite knowledge is required in the following areas:
  - Management
  - Finance
  - Accounting Methods
  - Marketing
  - Economics
  - Quantitative Methods
- You should assume responsibility to ensure the above prerequisite knowledge requirements are satisfied through 1 of the following methods:
  - Present evidence of successful completion of an undergraduate or graduate course in each of the subject areas;
  - Receive at least the recommended score on the Graduate Management Admissions Test (GMAT). School Code: OMX-68-90;
  - Students who lack prerequisite knowledge in any of the above areas will be required to register for BUSW 500. The prerequisite subjects must be satisfied before enrolment in other MBAA courses is permitted.
