

NOTICE OF AMENDMENT

Revision to Manual of Standards (172 – Air Traffic Services) 2024 and Manual of Standards (175 – Aeronautical Information Services) 2024

Please be informed that the Manual of Standards (172 – Air Traffic Services) 2024 and the Manual of Standards (175 – Aeronautical Information Services) 2024 have been revised to incorporate the amendments to the standards and recommended practices (SARPs) contained in ICAO Annexes 11 and 15.

The amendments in the revised Manual of Standards (MOSes) pertain to —

- a. the definition of “meteorological service provider”;
- b. references to the Procedures for Air Navigation Services - Meteorology (Doc 10157); and
- c. removal of requirement to issue NOTAMs related to observations or forecasts of space weather phenomena and associated information.

The revised MOSes come into effect from 27 November 2025. Revision 2 to the MOSes can be found at our [CAAS website](#).

Should you have any suggestions or comments on the above, please provide your feedback to <https://go.gov.sg/publication-feedback>.
