Table 1: ADL Rates

Passenger Type	ADL Rate
Origin-Destination (OD)	S\$10.80
Transit/Transfer (TT)	S\$3.00

An “Origin-Destination (OD) Passenger” refers to a passenger who departs from Changi Airport to another destination.

A “Transfer Passenger” means any passenger who, as evidenced by a single passenger ticket, is scheduled to depart from Singapore within 24 hours of his scheduled time of arrival for a destination in a country other than the country from which he embarked –

- (a) on a different aircraft by which he arrived in Singapore; or
- (b) on the same aircraft by which he arrived in Singapore but with a different flight number.

A “Transit Passenger” means any passenger who, as evidenced, by a single passenger ticket, is scheduled to depart from Singapore within 24 hours of his scheduled time of arrival for a destination in a country other than the country from which he embarked on the same aircraft and with the same flight number by which he arrived in Singapore.

Table 2: Worked examples

SIN – Singapore Changi Airport

ABC, DEF – Sample airport destinations

Passenger	Is ADL payable?	ADL rate payable
A Travelling from SIN to ABC and back on a return ticket	Yes, OD ADL is payable as passenger is starting his trip at Changi Airport.	S\$10.80
B Travelling from ABC to DEF on a single return ticket via Changi Airport (departing Changi Airport within 24 hours of arrival) (ABC – SIN – DEF vv ²)	Yes, TT ADL is payable twice, as passenger will depart Changi Airport twice, once when travelling from SIN to DEF, and again on the return from SIN to ABC.	S\$3.00 x 2 = S\$6.00
C Travelling from ABC to SIN on a one-way ticket. Travelling from SIN to DEF on another one-way ticket.	Yes, OD ADL is payable as passenger is connecting through Changi Airport on two separate air tickets.	S\$10.80
