

PROGRAMME OVERVIEW

The Master of Aviation (MAV) is an advanced professional programme that offers you the opportunity to gain the skills and qualification needed to significantly enhance your career prospects in the internationally competitive aviation sector.

PROGRAMME STRUCTURE

The MAV is a parts-based course of study which consists of papers totaling at least 180 credits comprising Part 1 and Part 2 as defined by the Schedule to the Degree, and including at least 60 credits at 800-level in accordance with either the Research Pathway or Professional Practice Pathway.

There are 2 semesters a year and you can take a maximum of 60 credits per semester.

Course Requirements

- The course of study consists of 180 credits at the 700/800 levels, and can be completed via the Research or Professional Practice Pathway.
- For progression from Part 1 to Part 2 in the MAV, you must have achieved a Grade Point Average of at least B- over the Part 1 papers, including the compulsory papers.

PAPERS OFFERED

RESEARCH PATHWAY

Part 1 (At Least 60 Credits)

Compulsory Paper (30 credits)	
190.704	Research Methods in Aviation

Subject Papers	
190.701	Human Factors for Professional Aviation
190.703	Management in Aviation Systems
190.720	Aviation Strategic Management
190.790	Special Topic

Part 2 (At Least 60 Credits)

115.894	Research Report Part 1
115.895	Research Report Part 2

PROFESSIONAL PRACTICE PATHWAY

Part 1 (At Least 120 Credits)

Compulsory Papers (60 credits)	
190.703	Management in Aviation Systems
190.720	Aviation Strategic Management

Subject Papers (60 credits)	
190.721	Design and Management in Airports
190.701	Human Factors for Professional Aviation
190.790	Special Topic
190.791	Special Topic

Part 2 (60 credits)

190.894	Professional Practice in Aviation
---------	-----------------------------------

Note: If you are interested in enrolling in the MAV by Thesis programme, you should contact the School of Aviation of Massey University in the 1st instance prior to enrolment. Email: aviation@massey.ac.nz

AWARD OF DEGREE

The MAV will be awarded when you have successfully completed the requirements of your chosen pathway.

In cases of sufficient merit a MAV completed via the Research Pathway may be awarded with a class of Honours.

In cases of sufficient merit a MAV completed via the Professional Practice Pathway may be awarded with either Merit or Distinction.

PROGRAMME DELIVERY

The programme is delivered in a self-study format. You are assessed based on assignments submitted.

Coursework

Coursework materials may be presented through a package of resources, which could include:

- Study materials (such as handbook, study guides and necessary readings) in hardcopies and/or online.
- Internet-delivered instruction (e.g. paper and programme website, email, chat rooms and discussion groups).

Massey University has a Virtual Learning Environment called STREAM. More information on STREAM can be accessed on the University website.

www.massey.ac.nz/massey/learning/distance-learning/studying/stream/stream_home.cfm

ADMISSION REQUIREMENTS

Academic Requirements

You must have successfully completed or qualified for a Bachelor of Aviation, Bachelor of Aviation Management or equivalent degree or qualification, having achieved a grade average of at least a B- in the highest level papers.

English Language Requirements

You must possess 1 of the following:

- Minimum Test of English as a Foreign Language (TOEFL) score of 575 or above;
- Minimum International English Language Testing System (IELTS) score of score of 6.5 (with no band lower than 6.0); or
- An equivalent qualification.

Note: With the exception of the GCE O-level results, all other results dated more than 2 years prior to the date of application will not be accepted.

APPLICATION PROCEDURES

Step 1: Applying for Admission

Return completed application form to SAA enclosing the certified true copies of academic transcripts and certificates (English language translation of certified documents should be provided where necessary). A certified true copy of birth certificate/passport should also be included.

Step 2: Result of Application

The University will process your application and notify you of the result. If your application is successful, you will receive a Letter of Offer from the University. After selecting the papers you wish to take, the Acceptance Form is to be submitted to Massey University and SAA.

Step 3: Enrolment for Each Semester

Upon receipt of your Acceptance Form, an enrolment package to enrol for papers for the upcoming semester, together with the programme handbook, will be sent via email to you. You are required to complete the relevant enrolment forms and return them to SAA together with the payment of paper fees for the upcoming semester.

Application Deadlines

Semester	Duration	Closing Date
1	Feb – Jun	1 Dec
2	Jul – Nov	1 May

COURSE FEES

190.701	Human Factors for Professional Aviation	\$4000
190.703	Management in Aviation Systems	\$4000
190.704	Research Methods in Aviation	\$4000
190.720	Aviation Strategic Management	\$4000
190.721	Design and Management in Airports	\$4000
190.790	Special Topic	\$4000
190.791	Special Topic	\$4000
190.890	Thesis (90cr) Part 1	\$6000
190.891	Thesis (90cr) Part 2	\$6000
190.892	Thesis (120cr) Part 1	\$8000
190.893	Thesis (120cr) Part 2	\$8000
190.895	Research Report	\$8000
190.894	Professional Practice in Aviation	\$8000

You are not required to make full upfront payment of the course fees; you are required to pay only for the papers in which you are enrolling each semester and at the point of enrolment. The amount due would depend on the paper fee of the enrolled paper(s). In addition to the paper fees, an annual enrolment fee of NZ\$64.60 is applicable each academic year. All fees are to be paid in New Zealand Dollars.

Fees can be paid by:

- Credit Card
- Bank drafts/money orders which should be made payable to “Massey University”
- Electronic Transfer

Note: Paper fees reflected are reviewed periodically and are subject to change.

This graduate programme is eligible for SkillsFuture Study Award. To find out more information and/or apply for the programme, please visit www.skillsfuture.sg/studyawards/air-transport
