

NOTICE OF AMENDMENT

Revision of Manual of Aerodrome Standards (MOAS)

Please be informed that the Manual of Aerodrome Standards (MOAS) has been amended to:-

- Align the definitions to ICAO Annex 13 and Annex 14, Volume I;
- Provide clarity and refine the requirements on the aerodrome design and operations;
- Reflect the references introduced in the new Procedures for Air Navigation Services (PANS);
- Introduce the procedures and requirements of the Autonomous Runway Incursion Warning System (ARIWS); and
- Enhance the specifications of aerodrome visual aids.

The MOAS comes into effect on 25 November 2016.

The MOAS can be downloaded at our [CAAS website](#) .
